

adopted relating to privacy protections for individually identifiable information. This amendment will provide safeguards and remedies to people who might have had their records misused by private recovery auditing firms.

Additionally, the gentleman from California (Mr. WAXMAN), the ranking member, offered an amendment which was also adopted by the committee which ensures that the agency head will conduct a public-private cost comparison before deciding to contract for recovery auditing services on the outside.

I appreciate the bipartisan manner that both of these amendments were negotiated under and which H.R. 1827 passed out of the committee on a voice vote.

Mr. Speaker, H.R. 1827 represents a significant step toward dealing with the billions of dollars in Federal overpayments that our committee discovered were made every year. I am pleased to be a cosponsor. Recovery auditing is simply good government.

I again commend the gentleman from Indiana (Chairman BURTON), the gentleman from California (Mr. WAXMAN), and the gentleman from California (Chairman HORN) for their leadership on the bill.

I urge the House to adopt H.R. 1827.

Mr. Speaker, I reserve the balance of my time.

Mr. HORN. Mr. Speaker, I yield such time as he may consume to the gentleman from Indiana (Mr. BURTON).

Mr. BURTON of Indiana. Mr. Speaker, as the author of the bill, I have just been informed that one of our colleagues has some minor problems with the bill. In order to accommodate him, what I would like to do, with unanimous consent of the House, is to withdraw the bill at this time, try to correct any differences that we have, and then bring the bill up later today. I think we can do that in a relatively short period of time.

The SPEAKER pro tempore (Mr. LAHOOD). The gentleman from California (Mr. HORN) needs to withdraw the motion.

Mr. HORN. Mr. Speaker, I ask unanimous consent to withdraw the motion to suspend the rules.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

The SPEAKER pro tempore. The motion is withdrawn.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from New York (Mr. GILMAN) and the gentleman from New Jersey (Mr. MENENDEZ) each will control 20 minutes.

The Chair recognizes the gentleman from New York (Mr. GILMAN).

GENERAL LEAVE

Mr. GILMAN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H.R. 3381.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. GILMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am pleased to rise in strong support of the Export Enhancement Act of 1999. This measure before us today provides a 4-year authorization of OPIC, an authorization of the Trade and Development Agency and several provisions enhancing the effectiveness of the Trade Promotion Coordinating Committee.

Mr. Speaker, this measure is a stripped-down version of H.R. 1993, which passed the House on October 13 by an overwhelming margin of 357 to 71. This bill enjoys full bipartisan support. It is identical to the text of a measure the Senate is ready to consider in the very near future.

Passing this measure today will ensure that the Overseas Private Investment Corporation will get the authorities it needs to play a key role in boosting our Nation's competitiveness and export potential.

I urge its prompt adoption.

Mr. Speaker, I reserve the balance of my time.

Mr. MENENDEZ. Mr. Speaker, I yield myself such time as I may consume.

(Mr. MENENDEZ asked and was given permission to revise and extend his remarks.)

Mr. MENENDEZ. Mr. Speaker, I rise in strong support of this measure to reauthorize the OPIC and the U.S. Trade Development Agency.

Basically, there is a version that has already passed the House 357-71, but to expedite it in the Senate, we are pursuing it in this fashion.

Export promotion programs, like OPIC and TDA, provide crucial support for American businesses in the global marketplace. U.S. exports of goods and services are estimated to support more than 12 million domestic jobs. Each \$1 billion in U.S. goods and services supports approximately 13,000 jobs. This is a reality in my home State of New Jersey, as well as throughout the country.

OPIC has had a positive net income for every year of operation, which reserves now total more than \$3 billion. Last year it earned a profit of \$139 million and contributes over \$204 million in net negative budget authority.

So at a time when Congress is striving to adhere to the constraints of a balanced budget, OPIC stands a part of a revenue earning program. It also complements our efforts across the globe to open up markets.

I want to thank the gentleman from Connecticut (Mr. GEJDENSON) and the gentleman from Illinois (Mr. MANZULLO), my colleague, for his efforts to work with our office to achieve an agreement that ensures OPIC will continue to provide services to American investors overseas.

I also want to thank the gentleman from New York (Chairman GILMAN), the distinguished chairman of the committee, for his commitment to work with myself and the gentleman from Connecticut (Mr. GEJDENSON) on an International Trade Administration reauthorization bill at the beginning of the next session of the 106th Congress.

I hope that we can build on the bill that we develop in this session and pass an ITA reauthorization bill as early as possible next year.

I urge Members to support passage of the legislation.

Mr. MANZULLO. Mr. Speaker, I rise in support of the Export Enhancement Act. For the benefit of my colleagues, let me provide some background to where we are today.

H.R. 3381 is a bipartisan and bicameral work-product. Both Members and staff from both sides of the aisle and both sides of Capitol Hill worked on this together in order to get this bill to the President as quickly as possible. The temporary reauthorization extension for the Overseas Private Investment Corporation expires today. It's time to finally get this legislation to the President.

The House version of H.R. 1993 is subject to a hold in the other body for reasons that have nothing to do with the substance of the legislation. Passage of H.R. 3381 now by the House is one way to seek quick action on a four year authorization for OPIC in case the House adjourns for the year prior to the Senate.

There are some changes. The most important are provisions dealing with the International Trade Administration were removed because of jurisdictional concerns with the Senate Banking Committee.

But it is important to remember what the new bill retains—four year OPIC reauthorization; success fee language on the Trade and Development Agency; and streamlining the efforts of the 19 federal agencies involved in export promotion. All of these provisions will help America increase U.S. exports and eliminate government waste. I urge my colleagues to support H.R. 3381.

Mr. MENENDEZ. Mr. Speaker, I yield back the balance of my time.

Mr. GILMAN. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New York (Mr. GILMAN) that the House suspend the rules and pass the bill, H.R. 3381.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

PROVIDING SUPPORT FOR CERTAIN INSTITUTES AND SCHOOLS

The SPEAKER pro tempore. The pending business is the question of suspending the rules and passing the Senate bill, S. 440.

The Clerk read the title of the Senate bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Tennessee (Mr. HILLEARY) that the House suspend the rules and pass the Senate bill, S. 440, on which the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 128, nays 291, not voting 14, as follows:
